## **6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies**

The following are various quality assurance methods that the college's IQAC has used in an effort to raise the level of the institution's quality across all divisions:

- Teachers (GIA as well as SF) are also supported and encouraged to take part in the evaluation of final (external) examinations.
- Each member of the IQAC is asked to submit suggestions for improving the curriculum and its implementation at regular IQAC meetings, which are run under the direction of an honourable Principal and have a fixed agenda.
- It is advisable and beneficial for all faculty members to take part in orientation, refresher training, workshops, seminars, and conferences connected to the lecturer-learning cycle and investigation.
- Ph.D. Doctoral faculties have an additional incentive to serve as research advisers for scholars.
- The IQAC additionally offers instructions, internet access, and verification processes for students applying for financial aid, grants, free ship cards, and educational loans.
