

## 6.2.1 - The Institutional Strategic/ perspective plan is effectively deployed

List of Perspective Plan with Description:

### 1. Student's Admission Process

The college maintains a webpage where you may get information about the admissions process. In addition, the college produces an annual prospectus and advertises in local and regional newspapers. Social media is also used by the college for course admissions.

### 2. Curriculum Development

Achieving the status of "Autonomous", each department of the college has their own Board of Studies. The board also consists of various experts and as a result, valuable suggestions are provided to the development of the syllabus. We follow the updated syllabus with the trend of the field. Various Courses are also framed keeping in mind the ability of students.

### 3. Teaching and Learning Method

ICT-enabled classes enable faculty members to deliver more interactive and effective teaching and learning. Faculty members are also supported by the college. Faculty members produce materials and distribute them to students. All of the courses are taught by well-experienced and certificate teachers at the college. The institution has also improved the student feedback system for evaluating instructor performance.

### 4. Seminars/Workshop/Guest lectures

Each department of the college follow their academic calendar with college's activities. In which, the department plans for workshop and expert lectures. Seminars are routinely held at the college to help students as well as faculty members enhance their level of teaching and learning. The college administration supports financially in these workshops and seminars.

### 5. Library, ICT, and Physical Infrastructure / Instrumentation

The college has undertaken steps to computerize the library, which will help to improve library services. The library has an RFID system in order to provide more convenient and efficient library services. The classrooms are equipped with ICT, which allows faculty members to deliver more effective and efficient teaching and learning. For research, the college has a large number of computers. In order to promote and support faculty and students, the library has subscribed to variety of publications, journals, daily newspapers, and news bulletins.

NAAC Re – Accredited with ‘A’ Grade Awarded to “College with Potential for Excellence” By UGC – Phase - II

# N. S. Patel Arts (Autonomous) College

Managed By Sardar Patel Education Trust

Affiliated to Sardar Patel University, Vallabh Vidhyanagar.

## 6. Research and Publication

Faculty members are constantly encouraged and motivated to attend seminars and conferences by the college. Faculty members have also produced a substantial number of research papers in various journals. Also, the college has two research journals, it gives a chance to students and faculties to publish research works and strengthen their research skills.

## 7. Industry Interaction / Collaboration/ Linkage for Field Work

The college offers Vocational courses like B.Voc and MVoc. and the students are sent to various industry for field work and experience and exposure. Various tactics are employed in order to increase the quality. Faculty department members are urged to sign memorandums of understanding (MOUs with various agencies, industries, and non-governmental organizations. This type of program enhances curricular enrichment and practical experience for pupils.

## 8. Examination and Evaluation Pattern

As an autonomous college, we have our exam department of our college which conducts internal and external examinations as per the norms and guidelines. We have the examination committee for the proper implementation of the exam-related reforms. At the same time, the committee also takes care that the examination is conducted in a sound manner and no misconduct is done. More exam-related details are described on the college’s web page.
