## Bajaj Indef Hosts N. S. Patel Arts College's Insightful Industrial Visit!

In a significant role as the host, Bajaj Indef welcomed students from N. S. Patel Arts (Autonomous) College, Anand, Gujarat, on an enriching industrial visit. This event underscored Bajaj Indef's commitment to imparting practical knowledge and experiences to the next generation.

On October 12, 2023, the HR Admin team facilitated the visit of 20 students and two faculty members from the Department of Social Work to explore Bajaj Indef's Khalapur and Chakan plants. The visit was a meticulously planned educational journey, ensuring that students gained meaningful insights into industrial practices. Safety remained a top priority during the visit, with students required to don safety PPE kits, including safety shoes, ensuring their well-being while experiencing the shop floor.

A standout moment during the visit was the one-hour session with Bajaj Indef's HR team. This session provided a unique opportunity for students to delve into real-world HR operations and understand the nuances of industrial practices. It exemplified Bajaj Indef's dedication to knowledge sharing and the promotion of experiential learning.

Bajaj Indef takes immense pride in hosting N. S. Patel Arts College and anticipates continued interactions that enhance the synergy between academia and industry. The organization remains committed to fostering the growth of future professionals contributing to their holistic education.
